The Parliament of Paris pronounced for the abolition of government censorship in December of that year; but it did not come until the National Assembly had begun its work of destruction. Mazzei's volumes are somewhat carelessly arranged and the material was evidently prepared at different times, and hastily put together at last. This was the fashion of the day. The press, through the troubled hours that brought in the French Revolution, in the words of Lamartine in his History of the Girondists, no longer produced books; it had not the time. It contented itself first with pamphlets, and then with broadsides and newspaper articles. The work commences with an historical sketch of each of the old thirteen Colonies, and of the United States down to the last days of the old Confederation. Then follow the four Life and Works of John Adams, IX, 552, Letter to Mazzei of June 12, 1787. letters from a citizen of New-Heaven. Next comes a lengthy refutation of some of the views of the Abbe de Mably, expressed in his Observations sur le gouvernement et les lois des Etats-Un. is dAmerique. Mazzei then criticises with considerable severity the Abbe Raynals account of the United States in his Histoire Philosophique des deux Tndes. A review of some of the leading features of the existing face of affairs in the United States concludes the work. In this connection he discusses our paper money, public debts, immigration,...
