

Mystery and Manners (Paperback)

Filesize: 7.2 MB

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

FABER FABER, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 126 mm. Language: English . Brand New Book. At her death in 1964, O Connor left behind a body of unpublished essays and lectures as well as a number of critical articles that had appeared in scattered publications during her too-short lifetime. The keen writings comprising *Mystery and Manners*, selected and edited by O Connor s lifelong friends Sally and Robert Fitzgerald, are characterized by the directness and simplicity of the author s style, a fine-tuned wit, understated perspicacity, and profound faith. The book opens with *The King of the Birds*, her famous account of raising peacocks at her home in Milledgeville, Georgia. Also included are: three essays on regional writing, including *The Fiction Writer and His Country* and *Some Aspects of the Grotesque in Southern Fiction* ; two pieces on teaching literature, including *Total Effect and the 8th Grade* ; and four articles concerning the writer and religion, including *The Catholic Novel in the Protestant South*. Essays such as *The Nature and Aim of Fiction* and *Writing Short Stories* are widely seen as gems. This bold and brilliant essay-collection is a must for all readers, writers, and students of modern American literature.
