Energion Publications, United States, 2013. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Christians can accept evolution without dumping God. *Worshiping with Charles Darwin: Sermons and Essays Touching on Matters of Faith and Science*, shows why and how we can logically and religiously embrace both. Dr. Robert D. Cornwall uses mind and heart, empirical evidence and Scripture to cogently guide pastors, theologians, lay leaders, and congregants through the troubling waters of one of the most controversial topics plaguing Christianity today. When this dreaded topic is broached, emotions often run high and Christian charity is frequently absent. Bob Cornwall explores with courage and insight, here and in the pulpit, as pastor of Central Woodward Christian Church (Disciples of Christ) in Troy, Michigan. He takes on the evolution/faith quandary openly and regularly through his sermons, his commemoration of Evolution Sunday (on the Sunday nearest Charles Darwin's February birthday), and his columns in the local newspaper, *The Troy Patch*. *Worshiping with Charles Darwin* will help you meaningfully consider related issues. Sample sermons, liturgical aids, and tips for engaging community discussion provide practical assistance. Among Cornwall's many books--*Ultimate Allegiance: The Subversive Nature of the Lord's Prayer* asks us to give our primary allegiance to Jesus and to his kingdom; *Faith in the Public Square* urges us to make our faith a real civic force--while remaining neighborly and Christ-like; *Unfettered Spirit: Spiritual Gifts for the New Great Awakening* implores Christians of all traditions to be led by the Spirit toward God-sized goals. Now he calls on us to bridge the gap between science and faith. Failure to do so could threaten the future of Christianity.
