Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Chipmunkpublishing, United Kingdom, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. The poetry of Sean is like no other, reading them is like stripping away the meaningless things of life. They talk in a fashion that could be described as both wise and child like. They deal with emotionally charged issues that are often ignored. They make us contemplate society as a whole and question where our own purity and innocence has gone. Perhaps it takes a naive view from a pure yet troubled mind to show us the way forward? The work is strengthened by both the beautifully coloured imagery that Sean uses and the sadness and joy that dance together through them. Bob Malpiedi, Manager, Newcastle and Gateshead Art Studio Sean s collection of poems captures a tale of recovery, intensely personal but with universal appeal and application. His work has a deceptive simplicity, conveying deep emotions and complex situations in a pithy, accessible fashion. He never shies away from asking the obvious but difficult questions about life, those which too many prefer not to consider because of the soul-searching that would entail. His honesty and openness are a credit to him, and shine through in his poems; recommended reading. Alisdair Cameron, Launchpad Team Leader.
