Feedaread.com, United Kingdom, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A unique book for children who are reluctant readers. A short story of an orphaned child forced to live rough and alone in a Florida Theme Park. But this wont last forever. A touching but refreshing tale of an inquisitive child. The reader is encouraged to enjoy the story accompanied by his computer ! Referencing the many places and unusual things in the text. The book has blank pages for the reader to draw scenes- or whatever- on them, making the book truly personal. Further, the story has optional, specially composed and recorded music, on YouTube to accompany the tale. The young reader will encounter art, science, geography, nature, technology, historical facts and be encouraged to research them. An interesting concept and a boost to children who find reading a novel a challenge.
