Reviews

This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It's been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

102 WAYS TO APPLY CAREER TRAINING IN FAMILY HISTORY/GENEALOGY: HOW TO FIND A JOB, INTERNSHIP, OR CREATE YOUR OWN BUSINESS (PAPERBACK)

iUniverse, United States, 2006. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Here are 102+ ways to use training in family history and genealogy when applied to real-world careers in education, business, or government, including creative entrepreneurial start-ups. With the future marriage of genealogy to smart cards, online databases, or similar authentication technology for family history, population registration (census), and library research, it may be easier to research family lines, not only by DNA matches through DNA testing for deep ancestry, but also with smart, electronic cards designed for electronic identity. It s also a way to track military records as another way to trace family history. Careers and research may focus on various state libraries or historical associations. History and family studies are part of an interdisciplinary liberal arts program that emphasizes research and writing. Journalism courses help round out your ability to express in plain language the results of your reading, explorations, and interpretations. Obtaining a degree or even taking one course or self-study in Family History can lead to broad, interdisciplinary careers. Graduate work in library science, law, journalism, public history, or genetics counseling (with a double major in the life sciences and social work) also lead to careers in which an historical education may be used. Public history is a field where you can pursue graduate degrees, including a doctorate. A degree in family history and/or public history can lead to entrepreneurship or becoming a corporate executive. Most jobs don t require a specific major, but rather analytical training and training in writing. If you re interested in taking courses or obtaining a degree or doing graduate work in history, family, home, social science, or area studies, focus on obtaining those analytical skills and good journalism...
