

Gettysburg: The Meade-Sickles Controversy

Filesize: 3.47 MB

Reviews

These sorts of book is the perfect book accessible. It is amongst the most amazing book i have got read. I found out this ebook from my i and dad advised this book to find out.
(Mr. Mustafa Sanford IV)

GETTYSBURG: THE MEADE-SICKLES CONTROVERSY

Potomac Books Inc. Hardback. Book Condition: new. BRAND NEW, Gettysburg: The Meade-Sickles Controversy, Richard A. Sauers, On July 2, 1863, the second day of fighting at Gettysburg, Maj. Gen. Daniel E. Sickles, in a controversial interpretation of his orders, advanced his men beyond the established Union line, exposing his flanks to a potentially devastating Confederate attack. Shortly after being reprimanded by his commander, Maj. Gen. George G. Meade, for endangering the entire Union Army, Sickles was hit by a cannonball. He returned to Washington, D.C., with his leg amputated and his pride badly wounded. A politician and lawyer prior to the war, Sickles was already notorious for being the first person in U.S. history acquitted of murder by pleading temporary insanity. During his recuperation in the nations capital, Sickles defended his actions at Gettysburg to anyone who would listen, including President Lincoln, and criticized Meade before the Congressional Committee on the Conduct of the War. He continued defending himself for years after the war, while Meade remained mostly silent />Historian Richard A. Sauers destroys many commonly held myths about the controversy by examining the evidence in detail. In this fascinating analysis, he highlights the way combat is always complicated by personality conflicts and human frailties among military leaders. He also demonstrates that distortions, like Sickless version of Gettysburg, are frequently accepted as fact by historians and repeated for generations to come. Sauers shows that Sickless unjust manipulations harmed Meades reputation for years after the war.
