

The Other Senses: An Inspiring True Story of a Visually Impaired Woman and her Road to Success

Filesize: 8.16 MB

Reviews

Absolutely among the best publication I have got at any time go through. It really is written in straightforward phrases rather than hard to understand. It's been designed in an extremely straightforward way which is just soon after I finished reading this publication through which basically modified me, alter the way I believe.

(Mrs. Velda Tremblay)

THE OTHER SENSES: AN INSPIRING TRUE STORY OF A VISUALLY IMPAIRED WOMAN AND HER ROAD TO SUCCESS

Lotus/Roli Books, New Delhi, India. Softcover. Book Condition: New. Preeti was barely six years old when doctors diagnosed her deteriorating vision as a condition due to optic atrophy. Those were difficult days but with the support and encouragement of her parents she learnt to get the best out of her disability. She looked for possibilities, focused on every positive she could dream of, always playing her best shot at facing challenges and failures with dignity and without shame. Sprinkled liberally with failures and obstacles, her story is a journey through a fairly difficult life with lots of courage and never-say-die attitude. In her memoirs she shares all the fun she had living life queen size and on her own terms. For she firmly believes, When life gets cloudy, the trick is to look at the silver lining. Printed Pages: 184.
