Outskirts Press, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Touched by Grace is an inspirational account of a mother's struggle to come to terms with the tragedy that devastated her family. Her son's accident prompted an off-island transfer to seek medical help and thus compelled the family to face the inevitable. Her son's long haul in his recovery process took him through three hospitals and across the Pacific Ocean to Sacramento, California, where he underwent acute physical and occupational therapy. The ordeal almost became unbearable as the parents watched their son fought to stay alive during many close calls with death. His determination was a motivation for them to keep up the faith. In this uplifting book, she describes how she and her family had witnessed time after time, the amazing work of the Almighty God, and how He took them under His loving guidance and steered them to a destination of His Will. Throughout this book, she testifies on the many blessings that came in different forms and sizes as she witnessed the glory of God in every situation. During her saddest and lowest time during this trial, God's power was manifested in no subtle ways. Touched by Grace is a book about recognizing God's Mighty Hand in situations of impossibilities and uncertainties.
