

You Can Write Characters with Physical Disabilities: Avoid Cliches and Get Your Facts Right! (Paperback)

Filesize: 6.38 MB

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Brian Miller)

YOU CAN WRITE CHARACTERS WITH PHYSICAL DISABILITIES: AVOID CLICHES AND GET YOUR FACTS RIGHT! (PAPERBACK)

Dev Love Press LLC, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The information you need to write characters with physical disabilities effectively! You're writing a book and one of your characters has a physical disability. Maybe it's crucial to the plot. Maybe you thought it would be nice to give your character a more unique and unusual back story. Maybe you just want a realistic book and in real life sometimes people have disabilities. Even in a fiction book, you're going to want to get the details right. Is someone with a vision impairment really going to walk up to a stranger and start feeling his face? Can someone with Muscular Dystrophy feel their legs? How does someone without legs drive a car? How does a spinal cord injury really impact sexual function? This book has the answers. It is divided up into sections for nine common physical disabilities you may want to give your characters. Each section includes. An overview of the disability An explanation of the causes of this disability The physical effects of the disability Adaptations and equipment a person with this disability might use Common misconceptions The second part includes helpful essays about disability in fiction, including common clichés to avoid and playing with stereotypes. The information in this book will guide you in creating a unique and compelling story where physical disability adds to the richness of the book you are creating.
