Reviews

*Comprehensive manual! Its this sort of excellent read through. We have read through and i also am certain that i will going to read through once more again later on. You wont sense monotony at at any time of your time (that's what catalogs are for regarding in the event you question me).
(Prof. Geraldine Monahan)*

TAILS ARE NOT FOR PULLING (NEW EDITION)

Free Spirit Publishing Inc.,U.S. Board book. Book Condition: new. BRAND NEW, Tails are Not for Pulling (New edition), Elizabeth Verdick, Marieka Heinlen, Pets may not have words, but they do communicate. Paying attention to an animal's cues -a joyful bark, a scary growl, a swishing tail - can help a child understand what the animal is "saying" and what an appropriate response might be. That's part of what this book is about. But mostly it's about showing children how to love pets gently - because pets are for loving, after all. Kids learn that teasing isn't nice, that they can choose to be kind to animals, and that if you want to touch someone else's pet, there's one important rule you should know: Ask the owner first! A special section for adults includes ideas for teaching kindness to animals, activities, and discussion starters.
