Austin Macauley Publishers. Hardback. Book Condition: new. BRAND NEW, Flights of Fancy, Martin Read, A collection of vignettes to surprise and shock the reader. If you are curious about the disturbing side of human nature or are a keen reader of horror books, this is the perfect roller coaster ride of horror for you. Martin Read lets his imagination run freely, exploring the dark side of life; addiction, the occult, feral cruelty, mental discord. The tales he has created range from the truly horrific to extraordinary images of sexual gratification, from mental illness to the clinical dispatch of life. Hidden in there somewhere is a hint of humour for the queasy. The reader is taken to the darkest recesses of the human mind and led by the writer through a labyrinth of dark imaginings that conjure up alternately sympathy for the protagonists and disgust for their actions. This is an adult fictional anthology that takes the reader on Flights of Fancy, landing in places beyond most people's imagination.
