Improve Your Teaching: Teaching Beginners: A New Approach for Instrumental and Singing Teachers

By Paul Harris

Faber Music Ltd. Paperback. Book Condition: new. BRAND NEW, Improve Your Teaching: Teaching Beginners: A New Approach for Instrumental and Singing Teachers, Paul Harris, Teaching beginners is a huge responsibility and a challenge, but also reaps enormous rewards. Today there are a host of colourful tutors to choose from, but none tells us how to teach beginners. It can be a hit and miss affair! Energising and inspirational, "Improve your teaching!" is a 'must have' handbook for all instrumental and singing teachers. Written by the UK's leading music educationalist Paul Harris, it is packed full of comprehensive advice and practical strategies. It offers creative yet accessible solutions to the challenges faced in music education. Written in an approachable style and distilled from years of personal experience and research, this book by Paul Harris looks at the issues concerning the teaching of beginners, outlining a series of principals, advice and strategies, discussing: how to approach the first lesson, practice ideas for beginners, introducing the tutor book and notation, taking stock and moving forward, inheriting pupils, and improvisation and composition for beginners. A companion to the best-selling "Improve Your Teaching", this book is guaranteed to challenge, affirm and energise your teaching!.

Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

-- **Mr. Jeramy Leuschke IV**

This book is fantastic. This is certainly for all those who statte there had not been a really worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Prof. Dale Fahey MD**
