

Preliminaries

Filesize: 7.24 MB

Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Toby Press Ltd. Paperback. Book Condition: new. BRAND NEW, Preliminaries, S. Yizhar, After a silence of almost 30 years since his "Stories of a Plain", Yizhar reasserted his position as the greatest living master of Hebrew prose with "Preliminaries". Strongly autobiographical, "Preliminaries" progresses frame by frame, showing a boy growing up in a Jewish farming community in Palestine and in the young city of Tel Aviv between the years 1917 and 1930 - the boy's sensual experience, his most primary, embryonic grasp of the world, coalesces with the adult consciousness looking back, a kind of late return to the innermost part of the child. His growing-up is linked to the story of the land of Israel in the early days of Jewish agricultural settlement: the longing to create a new Jew, the harsh existence of the struggling community, the early clashes between Jews and Arabs. Yizhar's pictures are rich in sensual power, laden with scents and colours. But the real subject of "Preliminaries" is a child's discovery, in confusion, wonder and terror, of the concrete world around him. In resurrecting his childhood in the land of Israel, Yizhar is carrying out a gentle stocktaking of the renewed Jewish society.
