Simon & Schuster/Paula Wiseman Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: In the debut novel from Jeter's post-retirement venture, Jeter Publishing, third-grader Derek dreams of a career playing shortstop for the New York Yankees. His parents even have him sign a contract-the first of many-stipulating expectations for his schoolwork, good sportsmanship, self-respect, and so on, with rewards if he succeeds. No multimillion-dollar contracts just yet! He will have to settle for dinner at his favorite restaurant. But when his grades start to suffer and he ends up stuck at second base on a losing Little League team, Derek begins to doubt if his dream will ever become a reality. At times, Derek's rosy homelife and relentless positivity can be a little grating, especially considering the autobiographical nature of the book. Still, the ball game scenes are particularly well done. Jeter is adept at adding nuance to team dynamics; for example, the coach's son continually receives undeserved accolades. With an automatic audience for this book, libraries would be hard-pressed not to have a copy on the shelf.
